Description

2005 74 Viking Yacht Enclosed Bridge

2005 74 Viking Yacht Enclosed Bridge is the newest 74 Viking Enclosed Bridge to the market, and is lightly cruised 74 with updated hull and topside paint, brings the best of cruising features to the well respected and received battlewagon convertible. The Viking Yachts 74 encompasses a very large platform with superior 5 stateroom 4 and a half head layout including a near full-beam master. The 74's salon and galley arrangement are nothing short of spectacular from the standpoint of graciously accommodating and entertaining guests. The forward salon day head and walk-in galley pantry are virtually unnoticed from taking up any unnecessary lounging space but so practical for long-range travel trips. The cockpit offers tremendous mezzanine seating and refrigeration coupled with an excellent and clutter-free fishing, diving and entertaining arena. 6C is set up for cruising with a generous teak cockpit table and chairs for seating, a swim platform for water activities and a live well in the transom when it's time to wet the lines. Furthermore, the cockpit is dressed with a teak deck, teak coaming boards, and updated cushions. 6C has a comfortable bow lounge cushion assembly for catching rays and relaxing on the bow, along with a RIB Tender to explore the islands.

This vessel has received the utmost care by a very detailed owner. Engine services are updated on the proven and preferred MTU 16V2000 M91 engine package. 6C presents a very nice opportunity to own a cruised, rigged, well-appointed 74 Viking in very good condition for a competitive price.

SALON

- Air conditioning with reverse cycle heat
- Blinds, Hunter Douglas silhouette
- Cocktail table, teak, high-gloss finish
- Baby ostrich headliner
- Crescent salon sofa with storage underneath
- Custom Amtico flooring at salon entrance
